

I am a resident of a local K-LOVE community in San Antonio. K-Love is a great family friendly program which not only supports American values but encourages people throughout this city. It also reaches us with current events in our city that otherwise we would not hear about due to the high cost of advertisements through other radio stations. I believe that the service provided by K-LOVE is in the public's best interest. K-LOVE has made a great impact in my life. It would truly be devastating if our local community were to be displaced by an LPFM broadcaster and we would no longer be able to enjoy programing such as K-LOVEs. Thank You.
